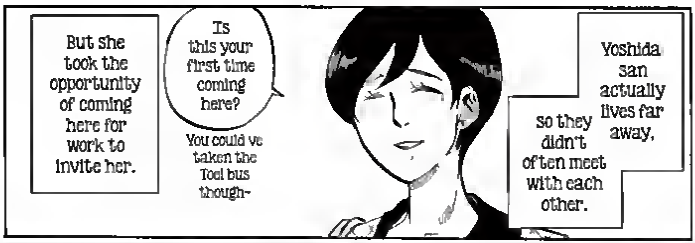
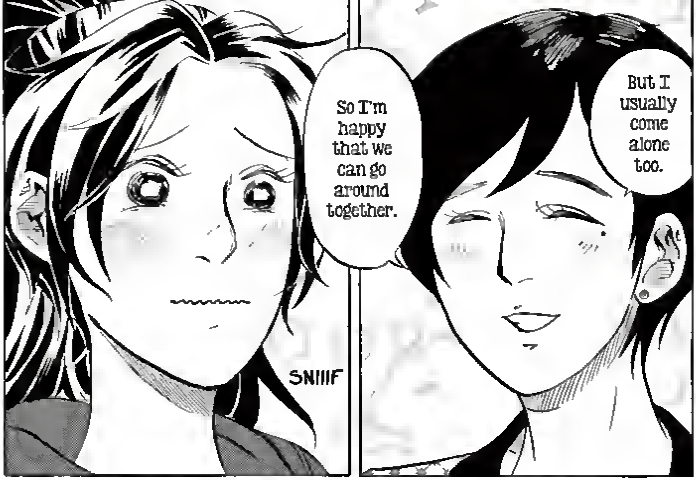
Chapter 11:
Tokusatsu Memorial on Sacred Ground!?

We're in Nakano, Tokyo.
Amazing!
Whoa, I know this one~
Today, she came to Seichi in
Nakano with Yoshida-san.
Naka-mura-san.



But she took the opportunity of coming here for work to invite her.
Is this your first time coming here?
You could've taken the Tozai bus though-
so they didn't often meet with each other.
Yoshida-san actually lives far away,

The 2nd - 4th floors are primarily hobby shops
4F
3F
2F
1F
B1F
From the 4th floor up are residential floors
Food stands
Ha ha
I heard the rumors about it,
but I felt awkward coming here alone...
As you see, inside the building is hobby stores wherever you go.
so it's not embarrassing at all.
The people here are generally allies

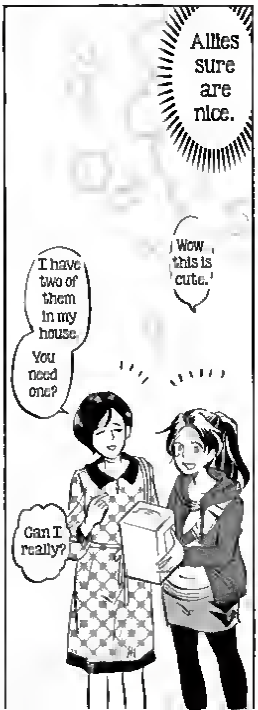


So I'm happy that we can go around together.
But I usually come alone too.
SNIIIF

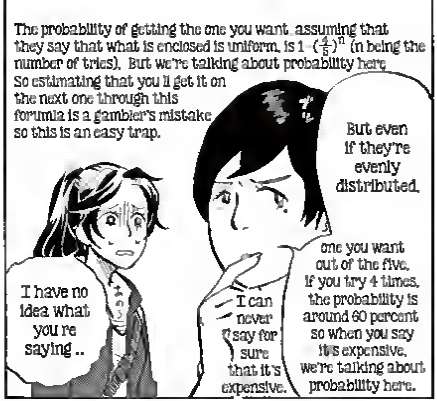
Ah.

The engine version of the Finishing Blow series.
From the capsule set!
I wanted this so much...

Jushouken Finishing Blow Shishiled engine ver. (secret)
¥2500

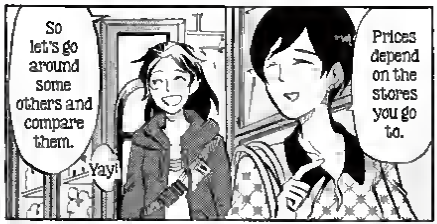


Allies sure are nice.
Wow this is cute.
I have two of them in my house
You need one?
Can I really?

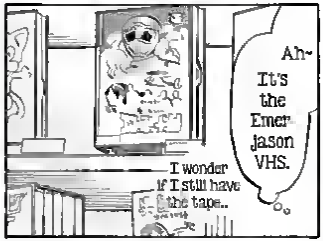


The probability of getting the one you want, assuming that they say that what is enclosed is uniform, is 1 - $(\frac{4}{5})^n$ (n being the number of tries). But we're talking about probability here. So estimating that you'll get it on the next one through this forumla is a gambler's mistake, so this is an easy trap.
But even if they're evenly distributed.
one you want out of the five. If you try 4 times, the probability is around 60 percent so when you say it's expensive, we're talking about probability here.
I have no idea what you're saying..
I can never say for sure that it's expensive.

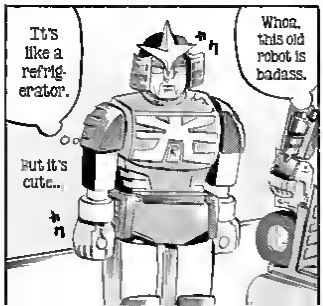
Original price 400 yen
Selling an unsealed product is fundamentally cheaper.
They raised the prices
2500 yen!?
And that's a secret item



So let's go around some others and compare them.
Yay!
Prices depend on the stores you go to.



Ah~ It's the Emerjason VHS.
I wonder if I still have the tape..

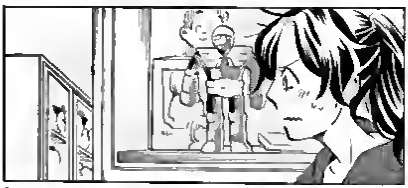


It's like a refrigerator.
Whoa, this old robot is badass.
But it's cute...

There's one more Tokusatsu store around here...

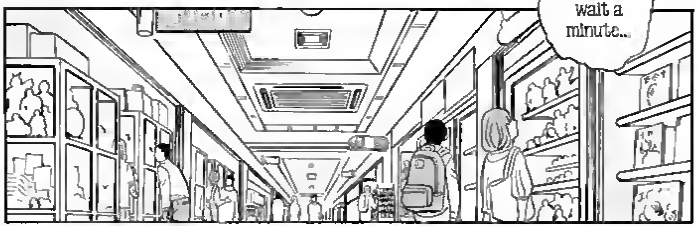
Look look, Yoshida saaan!
Ah, here's a sword of that Southern Klauser thing that Yoshida-san said she liked.
This is so fun.

Uh, I believe it's there.
スタ
スタ



Oh no, oh no, I'm being left behind.
She's quick~
But...

Nakano Memorial
this store's tempting me like in a Gaige!
No matter where I turn.
My prices are slowly rising, okay?
It's not like I wanted you to come.
The expensive vintage kind.
The kind that's a gem which only people who get it would understand
I'm a little old timey... but if it's alright with you...
I have no redeeming features, but I'd like to get along with you
The kind with retro stock from the Showa Period.
The kind that's average but has an easily available price and stock.



Yo- Yoshida-san, wait a minute...

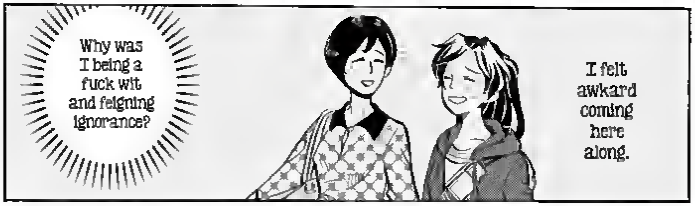
Phone...
Beep
Wha-
We got separated at a dangerous moment.
Hm

I should go look for her...
What do I do?
I forgot
my phone...
But...
HAPPY HOBBY
looks like it has the Finishing Blow Shishileo~
It seems like we have the same hobbies! Nice to meet you!
That store over there
The kind that specialized in American comics, western film, and hero shows.
But...
But...
•It's only been a few weeks since they met, but they're like childhood friends.
Yoshida-san is the childhood friend

and the like...
Shi-shi-leo
Acting alone
I came
I'm happy too.
I should've come alone.
Yoshida san
So I'm happy that we can go around together
to-geth-er with her.
Where did you go?
You'll catch a cold.
I wielded the Poison Pollution Blade terribly... I put you two into a dangerous situation...
I...
I'm happy you two feel that way,
I know that.
But...
Just calm down a bit and let's have a talk.
Hey, don't worry about it.
We're buddies, right?

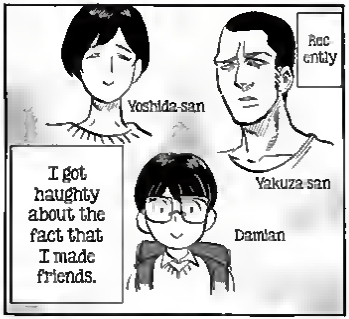
Just
leave me alone!
Because
What time can you come?
How about we go to dinner together? I'll reserve the place.
Where do we meet?
Because Yoshida-san is a prompt person!
Even though I wanna peek over there when we're together.
Still?
I wanna look over there.
Ugh, I'm sorry. Just a little more.
It feels like I'm doing a bad thing by making her come with me.

Then the question is
Her real face.
なんでって話やん
Why did we come together?
たんの

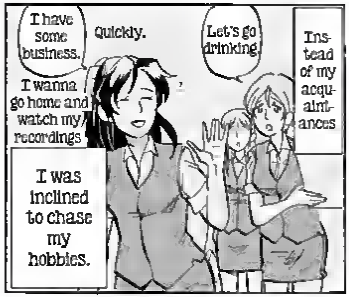


Why was I being a fuck wit and feigning ignorance?
I felt awkard coming here along.

I...
But she's rummaging
I...
My hesitation is being a burden on everyone.



Yoshida-san
Recently
Yakuza-san
Damian
I got haughty about the fact that I made friends.



I have some business.
Quickly.
Let's go drinking.
Instead of my acquaintances
I wanna go home and watch my recordings
I was inclined to chase my hobbies.

While you didn't wanna turn away from that path,
you were ridiculous to wanna make a move with a friend, Nakamura...
But she cheekily got what she wanted.

I'm supposed to be with a friend.

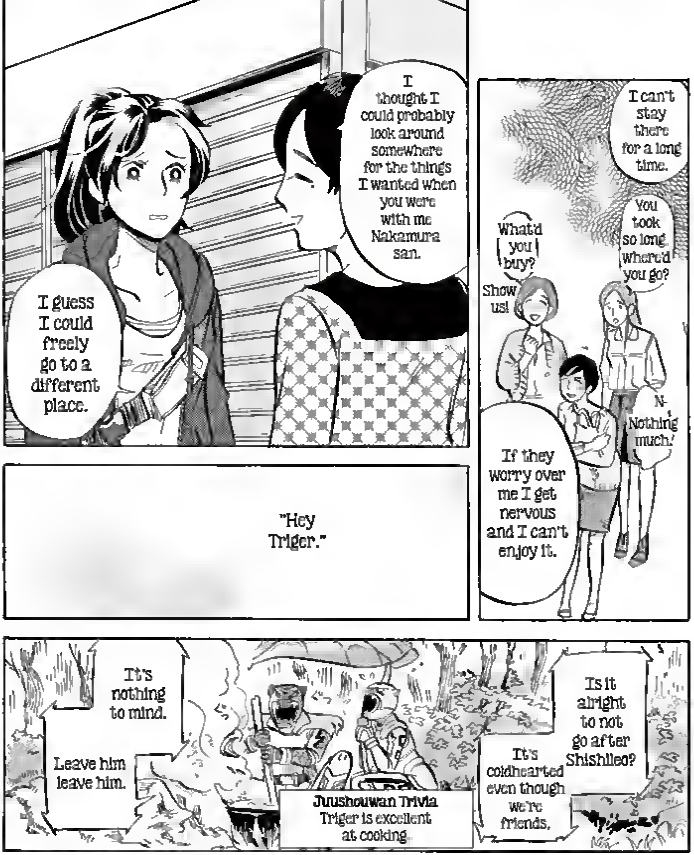
Oh.
There you are, Nakamura-san.
By the way, did you get what you wanted?
ﾆﾔｯ
I-
I'm sorry, ummm, you're my favorite Yoshida-san.
I know there were too many girls and I should've just used a strategy guide...
Girls?
What're you talking about?

I-
I'm sorry.
Uhh...
You took your pains to invite me,
and I went for what I wanted by myself.

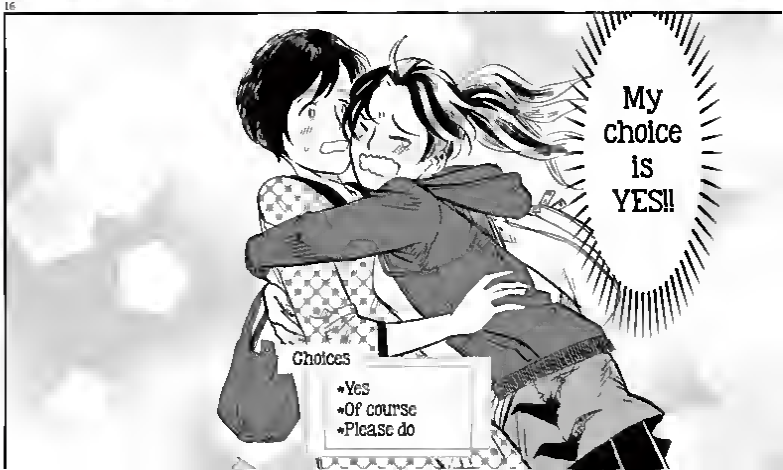
I'm happy to go around with you-
In the end, I left you alone.
Ahh.
I was also thinking that you weren't around, Nakamura-san.
And I just thought I'd run with it.
I'm sorry.
14
I'll go look at something on the other side.
When I go out shopping with the people in my company sometimes...
I secretly go to the stories like this.
!!?
I always have a lot of baggage and I stuff it in boxes.
I could finally get it.



I thought I could probably look around somewhere for the things I wanted when you were with me Nakamura san.
I guess I could freely go to a different place.
"Hey Triger."
I can't stay there for a long time.
You took so long where'd you go?
What'd you buy?
Show us!
N-Nothing much.
If they worry over me I get nervous and I can't enjoy it.
It's nothing to mind.
Leave him leave him.
Jyushouwan Trivia
Triger is excellent at cooking.
It's coldhearted even though we're friends.
Is it alright to not go after Shishiled?
Allies don't just stick together all the time.

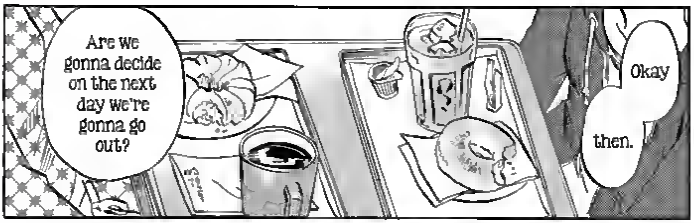
That's what an ally is.
just believe that he'll come back to us seriously, and wait for him.
Then
If he wants to be left alone, he'll be left alone.

Yo-shi-da-san...
Please come along with me next time
Weeell~ having the same hobbies sure is relaxing.
Yo...



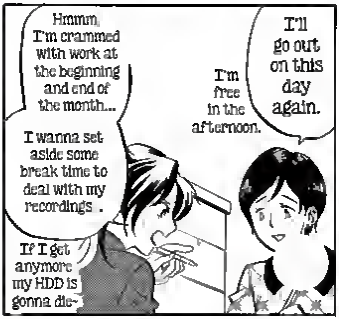
My choice is YES!!
Choices
•Yes
•Of course
•Please do

an ally...
Thanks, Trigger!
Welcome back Shishilleo!
This is
Gwaah!
Stop it!
Eww.



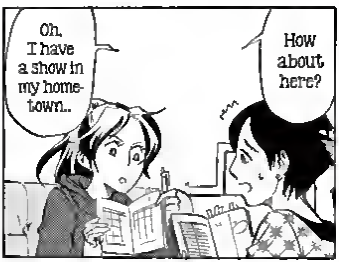
Are we gonna decide on the next day we're gonna go out?
Okay then.

17



Hmmm. I'm crammed with work at the beginning and end of the month...
I'll go out on this day again.
I'm free in the afternoon.
I wanna set aside some break time to deal with my recordings.
If I get anymore my HDD is gonna die~

I'm making plans...!
Then I'll bring a similar figure next time.
Waah. I always wanted to do this.
Yay!
Wow, we're so normal



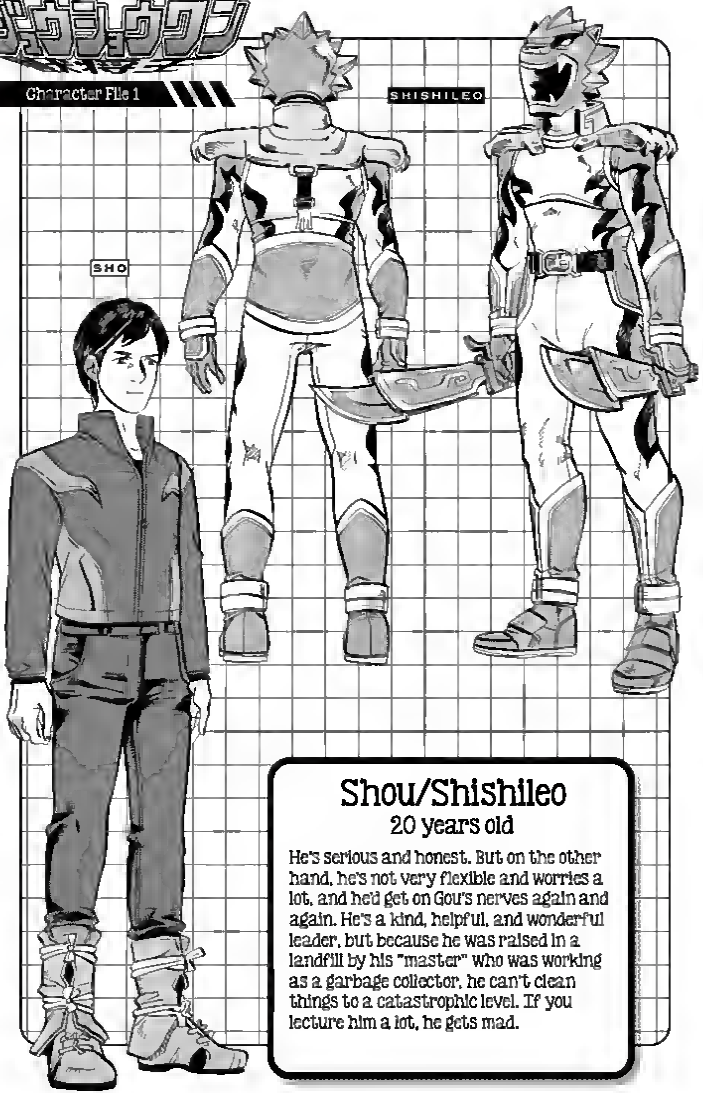
Oh. I have a show in my home-town...
How about here?

TN: The only parallel I can think of is Pretty Cure All Stars

Oh, that sounds good.
The one that has gathered all the generations together.
Okay, how about we do a movie together? next time?

18

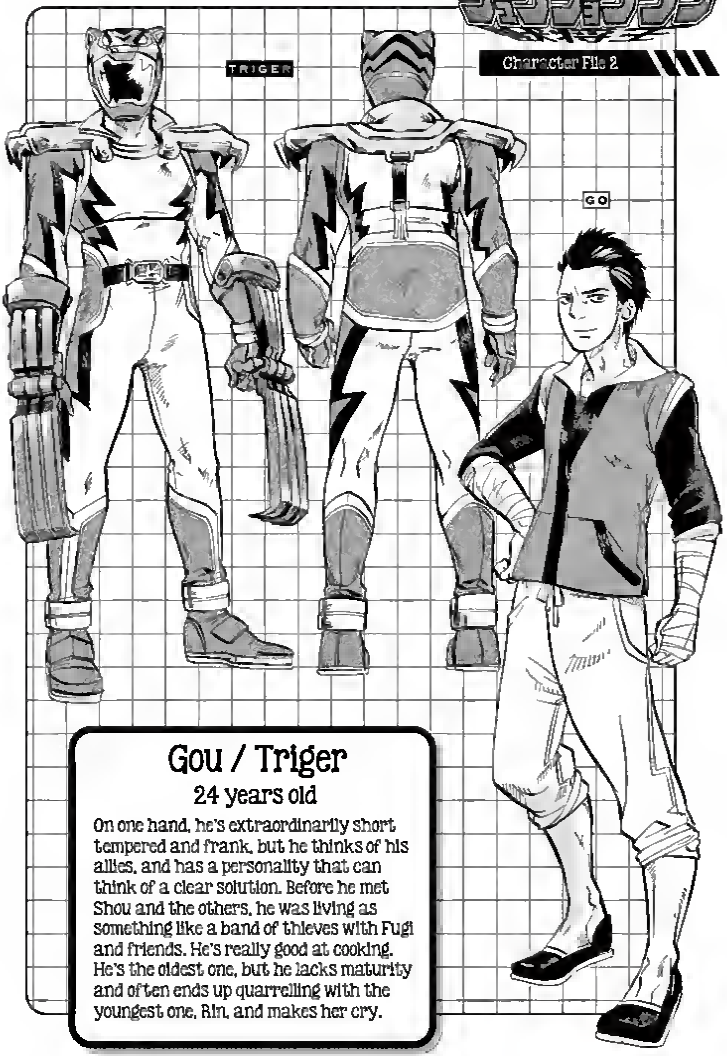
Since this isn't airing nationwide.
That's what I was thinking but.
I bought one since I wanted the little toy that comes as an extra.
Run like the wind!
Shishileo & Wonder One
You can get either one of them.
Speaking of which, I bought one too before...
Ahhhhhhhh
They're so friendly that several problems came up.



Shou/Shishileo

20 years old

He's serious and honest. But on the other hand, he's not very flexible and worries a lot, and he'd get on Gou's nerves again and again. He's a kind, helpful, and wonderful leader, but because he was raised in a landfill by his "master" who was working as a garbage collector, he can't clean things to a catastrophic level. If you lecture him a lot, he gets mad.



Gou / Triger

24 years old

On one hand, he's extraordinarily short tempered and frank, but he thinks of his allies, and has a personality that can think of a clear solution. Before he met Shou and the others, he was living as something like a band of thieves with Fugi and friends. He's really good at cooking. He's the oldest one, but he lacks maturity and often ends up quarrelling with the youngest one, Rin, and makes her cry.
